Languages

English
Fluent

Spanish
Beginner

Assets

- Listening skills
- Team spirit
- Autonomy

Computer skills

Software

- Excel
- SolidWorks
- Word
- PowerPoint

Programming languages

- Python
- C
- SQL (fundamentals)

Interests

Sport :

- Volleyball (12 years in a club, French Youth Cup and national level)
- Alpine skiing
- Hiking

Piano (5 years)

Travels in Europe :

Ireland, Portugal, Spain, Italy, Switzerland, Germany, Greece

 Manon Coulon

Manon Coulon

As a second-year student at ENSEEIHT studying Electronics, Electrical Energy, and Automation, I am interested in the design and optimization of intelligent energy and automated systems. Curious and dedicated, I enjoy participating in practical projects related to sustainable mobility, robotics, and renewable energy.

Education

Engineering Studies in Electronics, Electrical Energy & Automation (3EA)

Since Sept. 2025 [ENSEEIHT](#) Toulouse

Two-year intensive undergraduate course

From Sept. 2023 to July 2025 [Lycée Thiers](#) Marseille

- Acquisition of solid skills in mathematics, physics, and engineering sciences

Baccalaureate

From Sept. 2020 to July 2023 [Lycée Thiers](#) Aix-en-Provence

- With distinction
- Specialization in Mathematics and Physics
- European option (English)
- Sport option (Volley-ball, climbing)

Work experience

International Experience – Woofing in Ireland

From Jun. 2026 to July 2026 [Little Black Hill Farm](#) Killarney, Ireland

- Participated in the day-to-day management of a vegetable farm, from growing and harvesting to packing
- Gained first-hand experience of sustainable agriculture and permaculture practices
- Worked and communicated daily in English in an international environment
- Strengthened adaptability, autonomy, teamwork and initiative

Olympic Games volunteer: Welcoming, guiding, and informing spectators (French and foreign)

Aug. 2024 [Olympic Games](#) Paris

- Practicing English with foreign spectators
- Spontaneously approaching others / Being attentive
- Being responsive and independent depending on the context
- Managing conflict situations / Demonstrating diplomacy and persuasiveness
- Managing stress

Observation internship

Feb. 2020 [Atos \(Eviden\)](#) Aix-en-Provence

- Discover the overall functioning of a technology company and industrial project management.
- Observe several professions: engineering, quality control, methods, production, and logistics.
- Introduction to professional tools: SAP software, CAD (Pro-Engineer), measuring and testing instruments.
- Development of listening skills, rigor, curiosity, and adaptability in a professional environment.

Volunteer at the VNL (Men's Volleyball Nations League)

Jun. 2018 [Men's Volleyball Nations League](#) Aix-en-Provence

- Ball girl
- Greeting the public

Skills

Design and implementation of experimental protocols (TIPE)

- Study of the adverse influence of temperature on the performance of photovoltaic panels
- Experimental measurements
- Interpretation, comparison, and validation of experimental results in relation to theoretical models
